

Bolete Conference Table

Patricia Urquiola

A series of dining, meeting and conference tables that brings character, sustainability and functionality to both corporate and private spaces. Versatility is achieved thanks to the wide variety of shapes and materials in the tabletops that can be adapted to the distinctive design of its fluted base, created by Patricia Urquiola.

They are available in round, square, rectangular or elliptical format in various widths and lengths with a range of finishes to customize the table according to the needs of each space.

The base is made of our Pure ECO® thermopolymer, made from 100% recycled materials and fully recyclable and reusable. Available in different colors. It has a robust appearance and can house technical developments that add extensive possibilities for electrical and multimedia connectivity for working. It also has an optional access cover, which simplifies wiring and maintenance.

It is available in round or square versions with diameters from 1,500mm. / 59in. to 2,000mm. / 78.75in. and rectangular and elliptical versions with widths of 1,200mm. / 47.25in. and 1,500mm. / 59in. and lengths from 2,200mm. / 86.5in. to 6,000mm. / 236.25in. Up to 3,000mm. / 118in. length, the table is configured with two symmetrical bases. For lengths over 3,000mm. / 118in., an intermediate base is included at the junction between the two sections of the table top.

Dining and conference table with Pure ECO® thermopolymer base and tabletops in various shapes and finishes.

ME21000 1,400x1,400 and Ø1,400mm. / 55x55in. and Ø55in.

ME21001 1,500x1,500 and Ø1,500mm. / 59x59in. and Ø59in.

ME21002 1,600x1,600 and Ø1,600mm. / 63x63in. and Ø63in.

ME21003 1,800x1,800 and Ø1,800mm. / 70.75x70.75in. and Ø70.75in.

Its central base is distinguished by its organic C-shape, with a sinuous contour that highlights its surprising form, and its expressive grooved texture that gives it a unique personality. Made of Pure ECO® thermo-polymer (100% recycled), it is available in sand, basalt, black, terracotta and white.
