Nina Lounge stands out for its organic, sculptural silhouette, conceived as an individual lounge chair with outstanding comfort. Its continuous form wraps around the seat and combines generous upholstery with a Pure ECO® thermopolymer structure featuring a three-dimensional texture that adds visual identity, integrating expressiveness and sustainability. An expressive and welcoming piece, designed for lounge areas, waiting spaces, hospitality environments and residential interiors.

Nina Lounge destaca por su silueta orgánica y escultórica, concebida como una butaca individual de gran confort. Su forma continua envuelve el asiento y combina una tapicería generosa con una estructura de termopolímero Pure ECO® con textura tridimensional que aporta identidad visual, integrando expresividad y sostenibilidad. Una pieza expresiva y acogedora, pensada para espacios lounge, espera, hospitality y entornos residenciales.
