Bureau Veritas Certification

Bureau Veritas Certification

certifies that the verification of the

Sustainability Report 2019 "ESSENTIAL"

has been carried out with regards to its structure, content and sources of information of

HOLDING ANDREU WORLD, S.L.

As a result of this verification process Bureau Veritas Certification expresses that

- The content of the information is based and supported by data and records proven to be true. Likewise, the information, its treatment, calculations and graphs have been duly checked and verified.
- Traceability and relevance between basic information and content of the memory is adequate.
- It complies with the requirements and principles established in the Guide for elaboration of Sustainability Reports in their Standard version elaborated by Global Reporting Initiative (GRI).

According to this **Bureau Veritas Certification** establishes for **HOLDING ANDREU WORLD, S.L.'s Sustainability Report 2019 "ESSENTIAL"** the qualification **"Conformity - ESSENTIAL"**.
